

What is payroll giving?

Payroll giving is a way of giving to Childreach International in an effective, easy and tax free way.

Your pledge to charity	Actual cost to you (at 20% tax)	Actual cost to you (at 40% tax)
£5	£4	£3
£10	£8	£6
£20	£16	£12

Where will the money go?

Childreach International will use your donation to give children from some of world's poorest regions a brighter future.

By donating monthly you will enable the charity to focus on longer term programmes, giving more children a chance to reach their full potential.

What should I give?

We appreciate and welcome whatever you can give.

£6 can buy enough notebooks for a vocational training centre for 3 months, helping many orphans and vulnerable youths gain skills to support themselves.

£25 can buy a school desk which seats up to 4 children comfortably in our school improvements programme.

£40 can help buy much needed medicine to support 10 children for a whole year. Our medical outreach day care programmes support children with not only primary care but also with mental illness and disability which otherwise gets very little funding in many countries.

£100 can help buy 34 Maths and English text books for a secondary school, a valuable and long lasting resource for all children ensuring consistency in teaching procedures.

How do I give?

Please complete the Childreach International 'give as you earn' form. You will need to send one copy to the charity and supply your payroll department with one too.

For more information contact Childreach International on 020 3137 5500 or email info@childreach.org.uk.
